for your next event

## INSPIRED EVENTS

*At Palomar Washington DC, we create the inspiration you need for a memorable private event.*

Catering for Hotel Palomar Washington DC comes directly from our on-site, chef-inspired Urbana Restaurant & Wine Bar! Executive Chef John Critchley brings more than 17 years of experience to Urbana, where he combines culinary traditions of Northern Italy and the Provence region of France. In his past endeavors, Critchley has been applauded uniformly by critics, receiving an array of awards and accolades, including a near-perfect score from ZAGAT.

Urbana boasts an extensive list of sustainable, biodynamic and organic wines; sourcing local producers when possible. Urbana produces eclectic and approachable dishes, combining traditional technique with a fresh and environmentally conscious approach.
